Volunteer Code of Confidentiality

Agreed and Adopted by the Board on the 18th day of March, 2024

In order to protect the confidentiality of the persons served by PAL Stratford's Community Outreach Committee, PAL Stratford's tenants, and all others whose personal lives are disclosed to PAL Stratford Community Outreach volunteers, a code of confidentiality must be strictly observed.

This Code of Confidentiality ensures that no personal details about housing, illness, tenant information, vacancies at PAL, or any other personal matter be divulged outside the PAL organization.

As a valued volunteer for PAL Stratford, I understand the confidential nature of the work I will undertake and I commit to maintaining the privacy and confidentiality of those I serve.
